Re: 2010 STIP Amendment #T02-KMPO

Dear Mr. Ness:

This is in reply to your October 28, 2010 letter requesting FHWA and FTA approval to amend Idaho's 2010 STIP by adding the following project:

Key No. 12279, Coeur d'Alene Park and Ride Transfer Center Design and Construction

Due to the fact that this project is both intermodal in nature and involves the transfer of Federal Highway Administration (FHWA) funds to the Federal Transit Administration (FTA), it has been determined that joint Federal approval is in order for this program change.

Based on the supporting information provided by ITD and KMPO, the FHWA and the FTA have determined that the proposed amendment is financially constrained and is based on a planning process that substantially meets the requirements of Title 23, U.S.C., the Federal Transit Act and 23 CFR 450.

Therefore STIP Amendment #T02-KMPO is approved as requested

Please contact Mr. Scott Frey, FHWA at (208) 334-9180, extension 115 or Mr. Ned Conroy, FTA at (206) 220-4318 for further discussion or clarification on this action.

Sincerely yours,

R. Scott Frey
